SECOND AMENDMENT AFTER FINAL

Honorable Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Dear Sir:

In response to the Advisory Action dated July 21, 2003, please amend the above-identified patent application as follows:

IN THE CLAIMS

Please cancel Claim 2 and 14 to 17 without prejudice.

Please amend Claims 3, 5, 6 and 18 to read as follows:

3. (Twice Amended) The method as claimed in claim 6 including the further step of maintaining said purged containers in a generally upright position with said inert gas retained therein to thereby prevent the influx of air into said purged containers.

5. (Twice Amended) The method as claimed in claim 6 wherein said step of grinding said roasted coffee directly into a container filling apparatus is carried out within a sealed enclosure having substantially all of the oxygen therein removed.
